

## ‘Harm Reduction 2008’ Delegate Fees

The International Harm Reduction Association and the Conference Consortium are delighted to be able to announce the delegate fees for ‘Harm Reduction 2008: IHRA’s 19<sup>th</sup> International Conference’. Once again, there are reduced rates available for paying IHRA members, delegates from low income countries, full-time (unwaged) students, and members of drug user organisations. There are also further “early bird” discounts for payments that are processed before 21 January 2008, and a special rate available for delegates from Spain (the host country).

The conference registration system is now open and, with almost 700 people already registered (significantly more than this time last year), demand is likely to be high for this year’s event.

Unlike the last IHRA conference in Warsaw (May 2007), the rates listed above for 2008 are inclusive of a **16% IVA tax**, which has to be paid on conference fees in Spain. This accounts for the slight rise in overall delegate fees compared to 2007 – although we have actually reduced the delegate fees *before* IVA tax in order to off-set this additional charge as much as possible. Delegates may be able to claim back this tax – please check with the fiscal authorities in your own country for how to do this.

The delegate fees listed above cover:

- attendance at all of the sessions of the conference
- a pack containing the relevant conference documents and materials
- lunch on Monday 12<sup>th</sup> May, Tuesday 13<sup>th</sup> May and Wednesday 14<sup>th</sup> May
- refreshments from Monday 12<sup>th</sup> May to Thursday 15<sup>th</sup> May
- admission to the conference welcome reception (Sunday 11<sup>th</sup> May)
- admission to the conference party (Wednesday 14<sup>th</sup> May)
